## Sunday evenings (7pm Benfleet)

**7:00pm ramps worship** Twice a month

**7:00pm worship gathering** One gathering a month will take place at 7:00pm and may be used for prayer or teaching

**Joint worship** - A joint service including individuals from Benfleet and Rayleigh congregations incorporating worship, prayer, preaching and communion. The co-ordinator will structure the service in conversation with those tasked with leading the different elements of the service (Worship, prayer, preaching, communion)

**Worship Leader** - The worship leader will organise and lead the worship during the service in liaison with the host. There should be at least 2 music practices before the services (a practice before the service is NOT an option with the exception of a 20-30 minute warm up and sound check before the service).

**Preacher** - The subject for the evening will be set well in advance (see programme below) and share with the service co-ordinator what is planned. Preaching style should include visual aids and speaking blocks should not exceed 15 minutes without some sort of break (visual or physical) in order to maintain interest among the congregation.

**5:30 gatherings** - For each 5:30 gathering a co-ordinator has been allocated who is responsible for putting the evening together. They may choose to speak and lead themselves or invite others to participate in leading the evening.

## Mid-week cell groups

There will continue to be an emphasis on growing and developing mid-week cell groups which will contain; social interaction, bible teaching, prayer and ministry targeted at the age and spiritual maturity of members of the group. The mid-week cell co-ordinator is Matt Rose (Student Minister).

**Gym cell** - Friday evenings at Legacy XS led by Dan Wicks, Wednesday evenings at Legacy XS led by Matt Rose

**Legacy Jnr cell** - BMX & Skate cell for younger kids at Legacy XS led by Dan Wicks.

**Skate cell** - A cell group for skateboarders at Legacy XS led by Ross Foster & James Mingail.

**BMX cell** - A cell group for BMXers & skateboarders at Legacy XS led by Matt Rose.

**Geek cell** - For board and console gamers held at The House led by Jon Fryer.
